

FL2000

FLOOR LEVEL PALLETIZER

The FL2000 floor level palletizer is flexible, energy efficient, loaded with safety features and EASY: easy to install, easy to operate, easy to maintain, easy to adjust and flexible for tomorrow's unknown packaging challenges. Requiring no modification, the FL2000 can handle a wide variety of package types including cases, trays, totes, film only and display packs from a variety of industries. The FL2000 palletizes 20 cases per minute or more, depending on case size and pallet pattern.
